LOVING CUP TO GENERAL SHRYOCK

Masons Honor Baltimorean Who Has Been Grand Master for Twenty-five Years.

The Grand Lodge of Virginia, Ancient, Free and Accepted Masons, met in annual communication last night, a feature out of the ordinary being a most pleasant affair. Dr. J. W. Eggleston, Grand Master of Masons in Virginia, on behalf of twenty-seven grand masters of other grand jurisdictions, presented a loving cup to General Thomas J. Shryock, of Baltimore, Most Worshipful Grand Master of the Sons of Maryland, who recently celebrated his twenty-fifth anniversary. The fact that he has held office for twenty-five consecutive years was looked upon as something so unusual that his associates decided to pay special honor to General Shryock, who responded eloquently when the tribute was presented.

Dana J. Flanders, Most Worshipful Grand Master of Masons in Massachusetts, and his district deputy grand master, Frank T. Barron, were also guests of honor last night, along with Most Worshipful Thomas J. Day, past grand master of Delaware.

Grand Master Eggleston made his annual report, which was one of the most gratifying in years, and committees were appointed. There is an unusually large attendance.

PEERY FOR CONGRESS.

Tazewell County Instructs Delegates to Vote for His Nomination.

Tazewell, Va., February 8.—The Democrats of Tazewell county met in convention here to-day and named delegates to the Bristol convention, and instructed them to vote for the nomination for Congress of George C. Peery, of Wise county, a native of Tazewell county. A strong resolution was passed by C. R. Brown, undersigned by Mr. Peery, and upon the suggestion of John I. Baber, of Pocahontas, the resolution was changed to read as an instruction to vote for Peery. The resolution was adopted without a dissenting vote.

Two resolutions were offered by J. A. Leslie favoring the abolishment of the office of commissioner of agriculture, and the re-enactment of the Wharton law, both of which were adopted by a majority vote.

WILL UNDERTAKE SOUTH POLE TRIP

(Continued From First Page.)

Private recognition of the achievement of Commander Peery in reaching the North Pole and winning for the United States the prize so earnestly striven for century after century by a great company of brave and adventurous men.

Peery delivered his illustrated lecture, showing his progress to the pole, and Captain Bartlett spoke, briefly, of the house was draped in American flags, and the footlights of the stage were buried in candles and skins, relics of the expedition.

The house was draped in American flags, and the footlights of the stage were buried in candles and skins, relics of the expedition.

When Governor Hughes led Commander Peery on the stage, the audience rose in a body and cheered as the orchestra played "The Star Spangled Banner." In the expenditure of party, occupying the center of the stage, were the Roosevelt, the Captain Bartlett, A. Bartlett, master, J. W. Goodsell, surgeon, and Charles Percy, steward, and Captain G. R. Bartlett of the relief ship "Eric."

Leaders in Testimonial.

Others on the stage were members of the honorary committee of thirty-two, who arranged the testimonial, including Charles Alexander, Henry Cleave, R. Fulton Cutting, Thomas H. Hubbard, Jacob H. Schiff, Robert J. Collier, Seth Low, Isaac N. Seligman, Paul M. Warburg, Sylvester Fish, Adrain H. Johnson, Theodore Shonts, Hugh J. Chisholm, Elbert H. Gary, John H. Harlan Rhodes, Egerton L. Whitworth, Jr.

The committee had guaranteed Peery a cash purse of \$10,000 for the testimonial, but the proceeds to-night exceeded \$12,000, all of which will go to the commander.

As Governor Hughes spoke, the audience broke into cheers. The Governor said in part:

"I have no sympathy with those who inquire of what utility may be the discovery of the North Pole, or a visit to those frozen regions, when there is no effort to be without these examples. We are all, in whatever vocation we may be engaged, better to-night and more richly endowed because of the achievements of Commander Peery. All that the man who puts his life to a worthy purpose and wins."

With a hundred or more gray-haired veterans as their guests and a quartet of genuine cornfield heroes as their solo performers, Peery and his associates, "Tom" Booker, who were a real little and stirring "Down South" program at the Academy of Music on Tuesday evening, before an audience that promises to fill the house.

Practically the entire membership of the Soldiers' Home will be present in a body. Mr. Miller and Colonel Booker, themselves old Confederates, were anxious to give the veterans an evening's pleasure of the kind they enjoy most, and directed that a portion of the house be reserved for them. The invitation has been accepted, and to the remainder of the audience not the least interesting feature of the concert will be the sight of the old men aroused to enthusiasm by war-time scenes as only Peery and his associates can give.

In addition to his claim to distinction as a purely Southern production, the concert will be an extended tour, appearing in a number of cities during the next few months. They will travel under the auspices of the Nashville Entertainment Bureau.

PETERSBURG PLANS BIG IMPROVEMENTS

Street and Sewer Work Considered by Aldermen.

STRICKEN WITH PARALYSIS

Modern Fireproof Steel Office Building to Be Erected.

Times-Dispatch Bureau, 109 North Sycamore Street, Petersburg, Va., February 8.

The Board of Aldermen, at its regular monthly meeting last evening, concurred in the various measures and appropriations passed by the Common Council last week. The Finance Committee is making recommendations for very liberal street and sewer improvements, and in addition to appropriations made last week, is considering plans for still greater improvements during the present year. The Board, after full discussion and explanation, concurred in the recommendations of the Council for certain changes to be asked for in the city charter. The most important of these changes is that asking that power be granted the Council, if ever so directed, to create a commission or board of control to manage the administrative affairs of the city in conjunction with the Council. The members of the Board of Control are to be elected by the people. Another amendment to be asked for is that for the election of members of the board of overseers of the poor for terms of four years instead of one, as heretofore. The Senator and Delegates from the city will be asked to procure the proper legislation by the General Assembly to amend the city charter in these respects.

He is survived by his wife, his parents, Mr. and Mrs. John Wood, of Prince George county, and four brothers and two sisters. He was a most estimable young man and a consistent member of Wesley Methodist Episcopal Church, from which his funeral will take place tomorrow afternoon at 3 o'clock.

Fine Building to Be Erected.

At a largely attended meeting of the Petersburg Benevolent Association last night the question of tearing down the present association building at the corner of Sycamore and West Tabb Streets, and erecting in its place a modern fireproof office building was discussed and a decisive majority voted in favor of the improvement.

It is contemplated to erect a structure of steel, with four fine stories fronting on Sycamore Street, and seven stories in height. The floor above the second story will be used by the association for its meetings, its library and museum, its reading room, and offices. The five stories above will be made into convenient offices. The cost of the improvement, it is estimated, will be about \$125,000.

Very Handsome Showing.

The number of communicants of the White Protestant church in Petersburg is 7,498. Last year the church gave \$1,130 to foreign missions, or about an average of 55 cents per capita. This year these churches have pledged themselves, under the efforts of the Laymen's Missionary movement, to give \$12,532 to foreign missions, an average per capita of \$1.71. But the reports are not yet complete, and the contributions are expected to reach \$15,000, so that the per capita contributions of the communicants would be considerably increased. Nearly all churches have doubled their foreign mission contributions this year, a fact that speaks well for the missionary spirit in Petersburg.

The Christian Church gives 35 cents per capita of its communicants; the Presbyterian, \$3.00; the Episcopal, \$2.00; the Baptist, \$1.85, and the Methodist, \$1.60.

WHITE MEN RESIST ATTACK BY BLACKS

Chattanooga, Tenn., February 8.—In a pitched battle between white and negroes at Hale's Bar, about twenty miles south of Chattanooga, early this morning three negroes were shot to death. They are Leo Sloan, a laborer; "Daddy" Baker, a preacher, and ring-leader of the black rioters, and one unidentified.

Forty determined, though unarmed, white men prevented an armed attack of 200 negroes last night until reinforcements and munitions of war could reach them. At this morning, with the first dawn of day, led by Captain Will Burk of the Chattanooga police department, an advance was made on the negro settlement. Not since the hostile armies of the sixties pitted each other with shot has such a scene been acted since Tennessee River valley. All night long the handful of white laborers "bluffed" off an attack of the 100 armed negroes.

News of Manchester

Manchester Bureau, Times-Dispatch, 1101 Hull Street.

Manchester's climate yesterday was foggy, raw and dull. Gradually, almost imperceptibly, the fog cleared out white again, and enfolded the city in thin and smoke-like mist and by evening swathed it at last, as in a funeral pall, biting from the pedestrian's sight every object, save now and then when a gleam of wavering light broke in and dispelled the fog's depth.
